

YMCA/YWCA MARKET

Myrtha Pools is a family owned company with over 49 years of experience in the pool industry. Since 1960, Myrtha Pools has developed its technology to be installed in over 70 countries and continues to be the leader of innovative technologies, construction and design. Myrtha Pools is a global distributor with its USA headquarters based in Sarasota, Florida and its European Headquarters in Castiglione, Italy. By designing and manufacturing the majority of its components Myrtha Pools also maintains 360 degrees of coverage in the pool market.

Why and What is Myrtha Pools?

Myrtha is simply the most exclusive and advanced technology in the swimming pool industry. Its patented pre-engineered modular laminated steel panels and buttress system enables Myrtha to obtain perfect waterproofing, efficient installation and low maintenance pools suitable for almost any environment. As a result of Myrtha technology, Myrtha Pools have virtually unlimited life spans creating a pool that eliminates traditional problems of pool construction and maintenance. Myrtha Pools maintains options for all aquatic needs and any budget thus making the choice for a Myrtha Pool simply the best!

The core mission of the Y is build “strong kids, strong families and strong communities.” What better way to do that than with a product that realizes its potential by building nothing but the best swimming pools in the industry. Myrtha Technology offers the best solutions for structure, filtration features and water treatment absolutely matching current regulations with regard to architectural problems and user safety. Accessories such as entrance ramps and anti-slip materials ensure maximum safety and the wide range of fitness accessories are aligned with the YMCA mission of building a healthy body, mind and spirit.
